21 The court having noted the appearance of Deputy Attorney Stephen A. Mills on behalf of
22 the California Board of Registered Nursing (Board); having read and considered the moving papers,
23 oral and written arguments; and having heard and considered any objections on behalf of Defendant
24 Orlando Ponce, finds that good cause supports the application of the Board pursuant to Penal Code
25 section 23 and that under the current circumstances it is appropriate to impose reasonable restrictions
26 on defendant in the interest of public safety.
